FREQUENTLY ASKED QUESTIONS

Q. Is our date available?

A. Our 30-week event season runs from spring-fall. We do *not* run events for >30 guests in our off season. You can find our up-to-date availability [here](#).

Q. How many guests can we have?

A. The [barn](#) can accommodate <150 guests with a buffet meal, or <170 without a buffet. The farmhouse and cottage can hold up to 16 overnight guests.

Q. Why are your packages so long? Do you have a single-day option?

A. Most venues offer shorter rental periods of 4-10 hours (often charging for extra time and churning through multiple events per day). We built Sylvan Ridge Farm around a vision of a different kind of wedding. Here, we only book one weekend wedding and one weekday wedding per week, so each couple has the full attention of our team and can make the most of the magical 200-acre property. SRF's long-format packages free you from rushing or worrying, and allow you to be present and enjoy this special time with your wedding party, family, and guests. With 72 hours at your disposal (or 44 hours for a weekday wedding), you'll have ample time to decorate, rehearse, and just as importantly, unwind and make memories with the people you love.

Q. Do you offer catering services?

A. SRF does not provide food or beverage service, and we are very flexible with letting couples use caterers that fit their taste and budget. Please take a look at our carefully curated [Preferred Vendor List](#) for recommendations.

Q. What is your payment schedule like?

A. We try to keep it simple! Sylvan Ridge Farm takes a 25% deposit when you sign the booking agreement, and three additional 25% payments at intervals of one year, six months, and one month prior to the wedding.

Q. We're interested! What are the next steps?

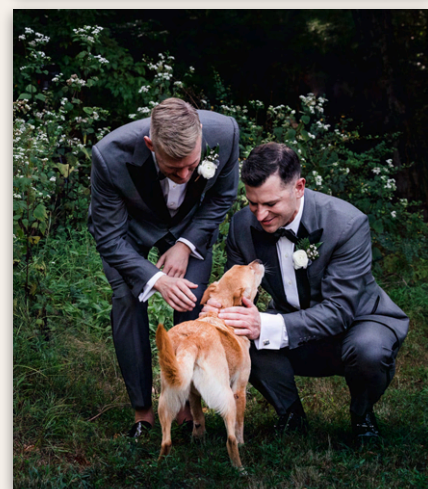

A. Our favorite question! Please [contact us](#) to set up a private tour. We would absolutely love to show you around the venue and answer any questions you may have. Tours typically last about 45 minutes. After you visit, if you decide SRF is the right fit, the booking process is quick and easy (and fully digital ☺).

“Booking Sylvan Ridge Farm as our wedding venue was one of the best decisions we have ever made . . . Alec and Linnea have done an amazing job restoring this farm property and creating the most elegant barn wedding venue you’ll ever see. We would highly recommend the weekend package, as it gives you the time to relax, set up and enjoy the entire experience. If you have the opportunity to get married here and can find an open weekend, do it . . . you won’t regret it.
